Report of the Meredith Board of Selectmen

To the Citizens of Meredith:

As 1993 becomes a year in history, we found it to be a productive year for the Town of Meredith. We accomplished many things and others are still ongoing.

We accomplished:

We have appointed an American with Disabilities Committee to study our buildings and services to improve accessibility and use. TDD machines for the hearing impaired are now available at the Town Office, Police Station and Meredith Public Library.

Improvements are ongoing to insure disabled access to our facilities and services. Bathrooms have been renovated as well as the new ones constructed and an entrance deck at the Leavitt Beach building. An accessible bathroom is being constructed in the Meredith Fire Station. In 1994 we will be addressing handle levers instead of doorknobs in many of our Municipal Buildings.

A new information recording line was made available to update citizens on many issues. The phone number is 279-5357.

We chipped stumps from the old landfill area and the stockpile on the Leavitt Beach Property from the 1970's and 80's. The grinding was quoted in previous years, but was found to be too expensive; quotes received in 1993 were much lower and affordable.

We continue to grind brush, wood and yard waste. The end result compost has been utilized by Public Works for stabilization on construction projects.

The Town received a new Pierce Fire Truck in November that was voted at Town Meeting. The truck is located in the Meredith Center Fire Station. A 1976 fire truck was retrofitted and rust repaired to lengthen its useful life to the Town.

The Meredith Police Department has been active in securing equipment and supplies from the federal drug program. A police boat has been received for lake functions, a vehicle, refurbished by the firemen, to provide air system assistance and additional firemen transportation to fire activities. Blankets, fire proof coats, and other supplies have also been received.

The Police Officers started pedal patrols in the summer of 1993 in attempts to provide more visibility and quicker response within the downtown. The bike acquisition was covered by local donations.

Meredith celebrated its Bicenviquinennual (225th Birthday) at a celebration in Hesky Park this last summer.

The Recreation Commission continues to develop a forest management and park development plan for the future use of the Reservoir Property to be recommended to us.

The Waukewan Street sidewalk (from the boat launch to the beach) as approved at 1992 Town Meeting, was constructed in the fall of 1993 to improve pedestrian safety and will be completed in the spring of 1994. Our special thanks go to Mrs. Mary Prince for donating three feet of her front lawn to make this project possible.

We will be conducting a property assessment update in 1994 to insure equity and fairness to all our taxpayers. Many complaints were received in relation to having all assessments being above market value. If assessments are lowered to more resemble fair market value, the tax rate must increase accordingly.

Most taxpayers don't realize that the Town controls only about 35% of the taxes paid. The remainder goes to Belknap County and the Inter-Lakes School District.

Although we utilize only approximately 35% of property taxes, the Town portion is responsible, by law, for the cost of maintaining assessments, billing and tax collection, 100% of abatement payments, and the cost of borrowing money to pay the Inter-Lakes School District, if taxes aren't paid.

The budget, as proposed, will maintain the same 1993 municipal tax rate. Many residents have asked for their roads to be rebuilt, paved, repaved, etc., but to keep municipal taxes down, we limit the number of projects we do each year.

Town expenditures operate under our purchasing system which requires a minimum of three (3) quotes or prices for expenditures of \$150 or more.

Our appointed highway task force is reviewing possible improvements to Route 3, Route 25 and other streets. Predictions are that our traffic will more than double over the next twenty (20) years and our people are striving to plan for that. Citizen input is important! Please be involved!

We have received four (4) petitioned warrant articles for the March 1994 Town Meeting. Two (2) addressing property tax exemptions will be voted on by the Election Day ballot on Tuesday, March 8th at the Community Auditorium (Inter-Lakes High School) 7 a.m. - 7 p.m. The other two (2) articles will be voted upon at the Town Meeting Deliberative Session, Wednesday, March 9th, 7:00 p.m. at the Inter-Lakes Elementary School Gym. The location is being tried this year in an attempt to provide more adjacent and accessible parking near the meeting.

It is because of the interest of citizens, volunteers and our dedicated Town employees that Meredith's projects and tasks are successful. Meredith is what it is today because of everyone involved.

In closing, we have tried to address all issues brought to us and we wish to thank the citizens for their support and confidence.

Sincerely,
Edith B. Mongo, Chairman
Paul R. Lessard

Meredith Board of Selectmen

Town Manager's Report

To the citizens of Meredith, I wish to thank you for your input and support of our employees as we attempt to conquer the many challenges presented to us.

The Selectmen's Report discusses many achievements, I will mention additional activities of the Selectmen, employees and volunteers:

- A portion of Blueberry Hill Road was reconstructed with developer funds, as required by the Meredith Planning Board.

- A sewer extension began on Cataldo and Reservoir Roads and will be completed in the spring and summer of 1994. This project was made possible by contributions by Annalee's and neighborhood benefit assessments.

- The Public Works Department improved drainage and reconstructed a portion of sidewalk on Plymouth Street, installed drainage, reconstructed and paved the first mile of Chemung Road from Meredith Center, and continues to improve our roads.

- Many roads were sealed this fall.

- Public Works employee work has saved substantial dollars to us taxpayers; they are to be commended for doing more with less money and we are thankful to our citizens for their patience and cooperation as this work was done.

- The Municipal Office is now processing records and payment for the Meredith Public Library.

- Cemetery monument cleaning began in 1993, as well as improvement to Meredith's 122 outlying cemeteries; this will continue into future years.

- The Water Treatment Plant upgrade as part of the Meredith Center contamination project was completed in 1993. Meredith's final share of the 1.6 million dollar project was only \$189,000!

- Meredith utilized free labor from the State's Laconia Shock Incarceration Unit to dig over 100 fence post holes on the Waukevan Street sidewalk and to clear stumps on the Reservoir Property scenic vista.

In efforts to reduce overtime costs to Meredith taxpayers winter snow pick up will be attempted during normal working hours. Everyone's cooperation is appreciated.

Solid waste disposal continues to be a major expense to Meredith, but the recyclable store (used items) and recycling has saved taxpayers nearly \$70,000. Please convince your neighbor or employer to recycle; it helps us all!

A special mention is due to the Orkins family for their improvements and beautification of their Main and Water Street property. The park bench on Water Street has been enjoyed by many!

In 1993 the Chamber of Commerce recognized Selectman Edith Mongo as Citizen of the Year and presented the Community Pride Award to Joe LaFrance and his Buildings and Grounds Staff and Barry Cotton and his Public Works employees. Congratulations!

We have applied to the Wetlands Board for approval to install a seasonal dock at the Lake Waukegan Boat Launch; citizens have expressed their desire to tie their boats while tending their trailers without boats beating against the rocks.

The New Hampshire Legislature passed a law allowing credit card payment of property taxes. Would you be in favor of this? Please contact our office with your thoughts.

In closing, I have spoken or worked with a number of you, but certainly not everyone. If you have questions, opinions or concerns, please contact the Town Offices.

I wish to thank our excellent Town employees and volunteers for their hard work and dedication to me and the Townspeople of Meredith.

Sincerely,
Peter G. Russell

DELIBERATIVE SESSION

The Meeting was called to order Wednesday, March 10, 1993 at 7:00 PM at the I-L Robert Pottle Auditorium by Moderator Jollimore. The Pledge of Allegiance led by Anne Jollimore, Regent of the Mary Butler Chapter of DAR.

Selectman Hughes presented "Cousin" Brad Sprague a Proclamation & Certificate of Achievement for his many years of service to the Town as Selectman, School Board Member and County Commissioner. Mr. Sprague received a standing ovation from the floor.

Mr. Jollimore gave instructions to the assembly and said he would not entertain a motion for reconsideration unless overruled by the assembly.

ARTICLE 9

It was moved by Selectman Hughes and seconded by Selectman Mongo to see if the Town will vote to (i) raise and appropriate the sum of Seven Hundred Fifty Thousand Dollars (\$750,000) for the purpose of purchasing land and building from Cram-Hill Brook, Inc. (referred to as One Bay Point) located on the corner of Daniel Webster Highway and Route 25, Tax Map U07, Lot 114, said appropriation to be inclusive of State or Federal grants-in-aid, or contributions from other sources; (ii) to authorize the issuance of serial bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the said appropriation, provided, however, that the total amount of bonds or notes to be issued shall be reduced by the amount of such

grants-in-aid, or contributions from other sources; (iii) to authorize the Town Treasurer to make temporary borrowings, in accordance with the provisions of said Chapter, in anticipation of the receipt of the proceeds of said bonds or notes; and (iv) to authorize the Treasurer to determine the method and manner of sale of such bonds, notes and temporary borrowings, to determine the rate of interest thereon, approve the form and determine all other details and particulars thereof, and to take such other action as may be necessary to effect the issuance, sale and delivery of such bonds, notes and temporary borrowings, as shall be in the best interest of the Town, including the authority to enter into a Tax Regulatory Agreement containing such representations and covenants as are necessary to maintain the tax exemption under Federal Income Tax Laws of interest on such bonds, notes and temporary borrowings; to authorize the Selectmen and Town Manager to apply for and accept any or all State or Federal grants-in-aid, or other contributions in aid of the project, and to expend the appropriation in accordance herewith. (Passage requires affirmative vote of two-thirds present and voting.)

Mr. Hughes said he knew that alot of emotion had been generated by this article but the Board of Selectmen felt that it was important to present it to the voters for their consideration. He continued that the Board were not doing a selling job but felt that the purchase was a great opportunity for the Town. It would address space needs, parking, ADA, and the waterfront. The One Bay Point Building would make it easier to meet the new ADA (American Disabilities Act) required by the Federal Government.

Town Manager Peter Russell brought the assembly up to date on the Selectmen's research into other buildings that had been considered and the reasons for the choice of One Bay Point. Mr. Russell explained the Farmers Home financing and with the reduction of the Solid Waste bond in 1994 would offset the tax increase. He addressed the concern of tax monies lost and the environmental concerns. Mr. Russell showed the assembly a large folder containing all the data collected regarding the building and the basis for the Selectmen to bring it before the voters.

Several persons spoke strongly against the building purchase citing the need to be more conservative in spending. It was felt that the effort should address the vacant stores on Main Street and not add to the vacancies. There were concerns regarding the rental of units conflicting with local business, the electric heat, maintenance, renovations and removal of prime commercial property from the tax rolls.

Several citizens spoke in favor of the building purchase and supported the Selectmen.

At 8:05 the question was moved. Polls were opened for an hour using a paper ballot.

Article was defeated.

ARTICLE 10

It was moved by Selectman Mongo and seconded by Selectman Hamlin to see if the Town will vote to (i) raise and appropriate the sum of Four Hundred Fifty-Eight Thousand Dollars (\$458,000) for the purpose of Sewer Extension Improvements up Cataldo Road and Reservoir Road to the cemetery; said appropriation to be inclusive of State or Federal grants-in-aid, or contributions from other sources; (ii) to authorize the issuance of serial bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the said appropriation, provided, however, that the total amount of bonds or notes to be issued shall be reduced by the amount of such grants-in-aid, or contributions from other sources; (iii) to authorize the Town Treasurer to make temporary borrowings, in accordance with the provisions of said Chapter, in anticipation of the receipt of the proceeds of said bonds or notes; and (iv) to authorize the Treasurer to determine the method and manner of sale of such bonds, notes, and temporary borrowings, as shall be in the best interest of the Town, including the authority to enter into a Tax Regulatory Agreement containing such representations and covenants as are necessary to maintain notes and temporary borrowings; to authorize the Selectmen and Town Manager to apply for and accept any or all State or Federal grants-in-aid, or other contributions in aid of the project, and to expend the appropriation in accordance herewith. (Proposed revenue could include landowner betterment assessments, Sewer Capital Funds, State or Federal Grant Programs available or any contribution from other sources and/or any combination of the above.) (Passage requires affirmative vote of two-thirds present and voting.)

Town Manager Russell explained this was a zero tax impact because of the betterment assessment against the benefitting property owners and not a taxation item. He stated that a survey had been done with the majority of the property owners in favor.

Rodney Wilson spoke in favor stating that he had a list of the majority of the Reservoir Road residents in favor. There was discussion from the floor on the waiver for immediate connection. It was explained that the Board of Selectmen could give a waiver after a public hearing.

There were some residents who spoke against the article.

Polls were open for one hour using a paper ballot.

Article passed in the affirmative.

ARTICLE 11

For the purpose of amendment: It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to (i) raise and appropriate the sum of Two Hundred Thirty-Five Thousand Dollars (\$235,000) for the purpose of purchasing an equipped Fire Truck for the Meredith Fire Department; appropriation to be inclusive of State or Federal grants-in-aid,

or contributions from other sources; (ii) to authorize the issuance of serial bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the said appropriation, provided, however, that the total amount of bonds or notes to be issued shall be reduced by the amount of such grants-in-aid, or contributions from other sources; (iii) to authorize the Town Treasurer to make temporary borrowings, in accordance with the provisions of said Chapter, in anticipation of the receipt of the proceeds of said bonds or notes; and (iv) to authorize the Treasurer to determine the method and manner of sale of such bonds, notes and temporary borrowings, to determine the rate of interest thereon, approve the form and determine all other details and particulars thereof, and to take such other action as may be necessary to effect the issuance, sale, and delivery of such bonds, notes and temporary borrowings, as shall be in the best interest of the Town, including the authority to enter into a Tax Regulatory Agreement containing such representations and covenants as are necessary to maintain the tax exemption under Federal Income Tax Laws of interest on such bonds, notes and temporary borrowings; to authorize the Selectmen and Town Manager to apply for and accept any or all State or Federal grants-in-aid, or other contributions in aid of the project and to expend the appropriation in accordance herewith. (Passage requires affirmative vote of two-thirds present and voting.)

Selectman Hamlin moved and Selectman Hughes seconded to amend Article 11 to raise and appropriate the sum not to exceed \$222,000 for the purpose of purchasing an equipped fire truck.

Andre Kloetz, Deputy Fire Chief, made the presentation for the committee who investigated the purchase of a new fire truck.

There were some questions from the floor regarding the purchase.

There was some further discussion and then the polls opened. They remained open for one hour.

The article was passed in the affirmative by a paper ballot.

To see if the Town will vote to (i) raise and appropriate the sum of One Hundred Twenty-Five Thousand Dollars (\$125,000) for the purpose of water and sewer improvements up Philbrook Avenue to the end; said appropriation to be inclusive of state or Federal grants-in-aid, or contributions from other sources; (ii) to authorize the issuance of serial bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the said appropriation, provided, however, that the total amount of bonds or notes to be issued shall be reduced by the amount of such grants-in-aid, or contributions from other sources; (iii) to authorize the Town Treasurer to make temporary borrowings, in accordance with the provisions of said Chapter, in anticipation of the receipt of the proceeds of said bonds or notes; and to authorize the Treasurer to determine the method and manner of sale of such bonds,

notes and temporary borrowings, to determine the rate of interest thereon, approve the form and determine all other details and particulars thereof, and to take such other action as may be necessary to effect the issuance, sale and delivery of such bonds, notes and temporary borrowings, as shall be in the best interest of the Town, including the authority to enter into a Tax Regulatory Agreement containing such representations and covenants as are necessary to maintain notes and temporary borrowings; to authorize the Selectmen and Town Manager to apply for and accept any or all State or Federal grants-in-aid, or other contributions in aid of the project, and to expend the appropriation in accordance herewith. (Proposed revenue could include landowner betterment assessments, Sewer Capital Funds, State or Federal grant programs available or any contribution from other sources and/or any combination of the above.) (Passage requires affirmative vote of two-thirds present and voting.)

It was moved by Selectman Hughes and seconded by Selectman Mongo to table Article 12 because residents were not interested.

Passed in the affirmative to table this article.

ARTICLE 13

It was moved by Selectman Mongo and seconded by Selectman Hamlin to see if the Town will vote to authorize the withdrawal of Sixteen Thousand Five Hundred Dollars (\$16,500) from the Police Equipment Capital Reserve Fund, said withdrawal to be used for Police equipment purchases.

Chief John Curran spoke in favor of the article and explained the need for a new cruiser.

Mrs. Mongo stated that the balance in the fund after the purchase would be \$16,481.79.

No further discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 14

It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to authorize the withdrawal of Twenty Five Thousand Dollars (\$25,000) from the Fire Department Capital Reserve Fund; said withdrawal to be used toward a Fire Department truck.

Mr. Hamlin explained that a 1976 fire truck would be retrofitted and extend the use of the truck for ten years.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 15

It was moved by Selectman Hughes and seconded by Selectman Mongo to see if the Town will raise and appropriate the sum of Four Thousand Eight Hundred Forty Dollars (\$4,840) to be applied toward the LCIP Loan Repay-

ment; said funds to come from the balance of the 1992 Land Use Change Revenue as required by March 1992 Town Meeting, Article 29.

Mr. Hughes explained that this article is based on Article 29 of the 1992 Town Meeting which allowed the next Town Meeting to appropriate the balance of the land use change revenue after the first \$10,000 has been turned over to the Conservation Commission. It will be applied to the LCIP loan.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 16

It was moved by Selectman Mongo and seconded by Selectman Hamlin to see if the Town will vote to create an expendable General Fund Trust Fund under the provisions of RSA 31:19-a, to be known as the Meredith Village Cemetery Maintenance Fund, for the purpose of improvements and to maintain the Meredith Village Cemetery and to raise and appropriate the sum of Thirty Nine Thousand Eighty-Nine Dollars and Eighty-Eight Cents (\$39,089.88) plus any other interest accrued toward this purpose; said sum will be offset by revenues provided by the Meredith Village Cemetery Association with the Board of Selectmen designated as trustees and agents to expend.

Mrs. Mongo explained that the Meredith Village Cemetery Assn. turned all buildings and assets to the Town of Meredith. This included funds for maintenance. The Selectmen would set up an expendable Trust to be used for general cemetery purposes.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 17

It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to create an Irrevocable Trust Fund under the provisions of RSA 31:19 to be known as the John Beede Perpetual Care Fund and to raise and appropriate the sum of Four Thousand Nine Hundred Ninety-Seven Dollars and Thirty-Six Cents (\$4,997.36), plus any additional accrued interest, to be placed in this fund, said fund to be provided by the Meredith Village Cemetery Association and to designate the Board of Selectmen as trustees and agents to expend the income for this purpose.

Mr. Hamlin explained when the Town received the cemetery assets a fund was dedicated to one lot. This article rededicates this money as a perpetual trust fund for that lot.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 18

To see what sum the Town will vote to raise and appropriate for the necessary operational expenses of the Town for the ensuing year budget. It

was moved by Mr. Hughes and seconded by Mrs. Mongo to raise and appropriate the sum of \$6,197,728 for the operational expenses of the Town.

There was some discussion and questions on different accounts especially the contingency account.

It was moved and seconded to remove \$68,829 from the contingency account and move that amount to the proper accounts. No change in the amount of the operating budget just realignment.

Amendment passed with a voice vote.

Amended article was passed with a voice vote in the affirmative with a few nays.

ARTICLE 19

For the purpose of amendment it was moved by Vincent Kuharic and seconded by Ellen Foley to see if the Town will vote to adopt the provisions of the Municipal Budget Law and establish a Budget Committee consisting of six (6) members at large to be elected by official ballot, and one (1) member of the Board of Selectmen designated by said Board. Members at large shall be elected for three (3) year terms except that the first year immediately following adoption of this law, the six (6) at large committee members shall be appointed by the Town Moderator within thirty (30) days of the adopting at Annual Town Meeting. At this time, two (2) committee members shall be appointed for one (1) year, two (2) for two (2) years, and two (2) for three (3) years. Each year thereafter, one-third (1/3) of the members shall be elected for a one (1) year term, one third (1/3) of the members shall be elected for a two (2) year term, and one third (1/3) of the members shall be elected for a three (3) year term, in accordance with RSA 32:2 and 32:3. (Petitioned by twenty-five (25) or more voters.) (An amendment will be required to allow conformance with New Hampshire Law.)

Mr. Kuharic motioned and Virginia West seconded to amend Article 19 to comply with RSA 32:2 to insert: Each year thereafter, one third (1/3) shall be elected for a term of three (3) years and until their successors are elected and qualified."

There was considerable discussion on the amendment with Mr. Kuharic and Lynn Montana speaking in favor of the article. They cited the concern of the petitioners that the budget was too high for similar size towns. It was stated that over 100 towns in N.H. have a budget committee that work in a binding way to keep the budget in line.

Selectman Hughes spoke against the article. There were statements from the floor in praise of the "good job" that the Selectmen have done.

There was some further discussion both pro and con.

Michael Hatch made a motion to move the question.

The amendment was defeated by a voice vote.

Mr. Hughes made a motion to table the article. Seconded by Mrs. Mongo. Affirmative vote to table the article.

ARTICLE 20

It was moved by Selectman Mongo and seconded by Selectman Hamlin to see if the Town will vote to authorize the Public Library Trustees, in accordance with RSA 202-A:4-C, to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the year. This money is to be used only for legal purposes for which a Town may appropriate money, not require the expenditure of other Town funds and is exempt from all provisions of RSA 32, relative to limitations and expenditure of Town monies.

Mrs. Mongo explained this would enable the Library to apply and expend funds from government or private sources without Town Meeting approval.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 21

It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to authorize the Board of Selectmen to accept deeds to roads on behalf of the Town, providing procedures are followed as outlined in RSA 231, with public hearings.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 22

It was moved by Selectman Hughes and seconded by Selectman Mongo to see if the Town will vote to authorize the Selectmen and Treasurer to borrow in anticipation of taxes, such sums as are necessary for the operation of the Town and to set the rates, effect the issuance of notes and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 23

It was moved by Selectman Mongo and seconded by Selectman Hamlin to see if the Town will vote to authorize the Selectmen to sell and transfer title to all real estate taken by the Town in default or redemption or from any Tax Lien upon such conditions as they shall see fit.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 24

It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by Town Meeting, money from gifts

or donations, etc., from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with RSA 31:95-b.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 25

It was moved by Selectman Hughes and seconded by Selectman Mongo to see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 26

To see if the Town will vote to discontinue an existing Class VI Road (which is subject to gates and bars) known as Drake Road, beginning at the intersection of Drake Road and Hueber Road (private road) and terminate at the intersection of Saddle Hill Road and Drake Road (through Tax Map R36, Lot 8; R36, Lot 9; R33, Lot 5; and R33, Lot 6).

It was moved by Selectman Mongo and seconded by Selectman Hamlin to table Article 26 because all abutters have not agreed.

Motion to table passed in the affirmative by a unanimous voice vote.

ARTICLE 27

It was moved by Selectman Hamlin and seconded by Selectman Hughes to see if the Town will vote to discontinue a portion of two (2) Class V Roads known as Reservoir Road and Hemlock Drive; Reservoir Road discontinuance would begin by Tax Map S23, Lot 54B (second corner), continue to Hemlock Drive intersection; from this intersection to the end of Reservoir Road at Town Property, Tax Map S22, Lot 22. Hemlock Drive discontinuance would begin at Hemlock Drive and Reservoir Road intersection to the proposed realigned section along Tax Map S23, Lot 54C. This discontinuance is contingent upon the relocation and realignment of the first corner of Reservoir Road near the cemetery and the relocation and realignment of Hemlock Drive. This discontinuance is also contingent on easements for underground utilities and pedestrian and gated vehicle access along the original water main from Reservoir Road to the former reservoir. All of these conditions must be accomplished within ten (10) years of warrant article passage and the construction of the realignment by private parties as required by the Selectmen, prior to any discontinuance (see exhibits available).

No discussion.

Article passed in the affirmative by a unanimous voice vote.

ARTICLE 28

It was moved by Selectman Hughes and seconded by Selectman Mongo to see if the Town will accept the Community Building Committee's preliminary report and request the Committee to continue their investigation and review for a Community Center Building and report back to the Town.

No discussion.

Article passed in the affirmative by a unanimous voice vote.

It was moved and seconded to adjourn at 11:15 PM.

TOWN OF MEREDITH TAX RATE
(TOWN SHARE COMPARISON)

Water & Sewer Departments - Robert Hill, Superintendent

The Meredith Water & Sewer Departments have had a successful year with the following highlights. A backflow/cross connection program was introduced for customer protection. The Water Treatment Plant was upgraded to one million gallons a day capacity. We were able to meet the stringent standards for the EPA Safe Water Drinking Act for lead and copper. We place a high emphasis on customer service and water quality and wish to thank the community for its support.

Recreation Department - Louise A. Casson, Director

The Meredith Recreation Department has had a very busy and successful year in organizing and expanding new program opportunities for residents of all ages to meet the interests and needs of the community. The Recreation Department and Commission have worked and planned various new projects throughout the year. The department works with numerous civic organizations, schools, parents, businesses and other municipal departments during the year. We would like to thank the community for its support of our programs and projects during 1993.

Fire Department - Fred Copp, Chief

The Fire Department achieved significant equipment improvements with the purchase of a new Pierce combination pumper/tanker and the retrofitting of its existing 1975 Ford pumper. These upgrades allowed the retirement of one 32-year old truck and the semi-retirement of two other 30+ year old trucks. With over seventy-five percent of the department now trained to State certified level I and career levels, the Town can be proud to have one of the best trained and equipped departments in the area. The Fire Department appreciates the continued support we receive from the Meredith citizens.

Meredith Police Department - John Curran, Chief

Our statistics reflect the general status of the economy. The slight upturn in the number of calls for service this year is, for us as residents, a mixed blessing. It means the economy is coming back, but it also means so is the crime.

	1989	1990	1991	1992	1993
Calls for service	9,411	10,040	8,440	8,462	8,724
Warnings/Checkups	2,221	1,126	2,336	2,297	2,164
Summonses	676	749	333	352	346
Arrests	426	396	288	221	242

We look forward to the challenges that this new year will bring, and to the continued pleasure of serving the citizens of Meredith.

Public Works Department - Barry Cotton, Director

Major projects that were completed this year were sidewalk, drainage and paving done to a portion of Waukegan Street and Plymouth Street. Road construction was done on Blueberry Hill Road and also on a portion of Chemung Road. Pinnacle Park Road was chip sealed. Neal Shore Road along with Needle Eye Road were sealed. The new ten wheel dump truck with plow and sander is now in service. General maintenance such as cold patching, street sweeping, mowing, ditching, and striping were also completed. The Public Works Director and employees wish to thank you for your community support. Also please note that the Public Works Department is not plowing Saddle Hill Road.

New Beginnings - A Women's Crisis Center - Carol Batchelder, Co-Director

New Beginnings provides a 24 hour crisis line, safe homes, food, clothing, emergency transportation, peer support groups for victims of domestic and sexual violence, court and social service advocacy, hospital and police accompaniment, and community education programs. All services are provided free of charge. We would like to thank you for your continued support.

Lakes Region Family Service Assn., Inc. - Elizabeth Pedersen, Exec. Dir.

Lakes Region Family Service Association, Inc. is a social service agency, offering counseling, mediation and child advocacy programs to residents of the Lakes Region. We have been in existence for over twenty-five years, and began operating as an independent agency in 1976. Our mission is to assist families with difficulties and problems they face. We are operating on a "bare bones" budget and your support is critical.

Community Action Program - Prudence Tylenda, Area Director

The Meredith Community Action Program is a local, community based, non-profit organization dedicated to addressing the needs of the elderly and low income residents in the Town of Meredith. During the past year we have provided \$269,461.50 in services to Meredith residents. We thank you for your continued support.

American Red Cross - Thomas E. Garfield, Chapter Chairman

Some of the programs we extend are service to military families, health and blood services and disaster services. We have had massive updates in many of our programs and we now have new challenges to meet. With your continued support, we will reach our goals and continue our successes.

Lakes Region Community Services Council - Stephen C. Maguire, Asst. Dir.

We greatly appreciate the support the Town of Meredith has given us and we continue to provide transportation and other services to Meredith residents who are developmentally disabled.

Meredith Historical Society - William A. Pond, President

This past summer saw an increase in visitors at the Museum and larger attendance at meetings, much to our delight. We appreciate all of the Town's cooperation during the year as well.

Lakes Region Association - David Lee, Executive Director

The Lakes Region Association functions specifically in tourism marketing and public relations. Some programs are: Winter Marketing Project, Vacation Information and Lakes Region Attractions Map & Guide and Shows Project. There has been a cooperation of private and public resources to make this a success for which we wish to thank you.

Meredith Chamber of Commerce - Susan Cerutti, Executive Secretary

This year the Chamber grew to 175 members. New events included a Horse and Carriage Parade, Water Ski Show and a Theatre Gala. The Chamber has instituted a Community Awards Program and the Information Center opened a month earlier and remained open through October 12th weekend. The Chamber is appreciative of the support by the community, the Information Center staff and the Town departments cooperation.

Solid Waste Department - Barry Cotton, Director

Stump grinding began in 1993 with the new Tub Grinding Machine. Hazardous Waste Day was another huge success. The store at Solid Waste has attracted many residents and property owners. Aluminum foil and clean used clothing are now being accepted for recycling. These efforts have again brought in additional revenues. The Solid Waste Department in conjunction with the Public Works Department had the Annual Clean Up Weekend in the spring. The Solid Waste Department wishes to thank you for your continuing recycling efforts.

Buildings & Grounds Department - Joseph LaFrance, Supervisor

The Buildings & Grounds Department has had a busy year. Some of our projects were: Christmas lighting, baseball outfield maintenance, dugout repairs, summer flower program, outlying cemetery maintenance, ice skating rink upkeep, general park upkeep, Leavitt Park Building and handicap sidewalk and ramp. We also assisted many recreational programs including ice skating, Christmas lighting and field preparation for various youth activities.

Meredith Conservation Commission - Merritt Webb, Chairman

The Commission has worked on the Hatch Brook prime wetland protection. An easement was finalized in September to protect the upper pond, a section of the brook and the upper end of the marsh. There is 175± acres protected. A large picture of the marsh is exhibited in the Municipal Office donated to us by Chip Thorndike. Work on the Hamlin Recreation and Conservation area is in progress. The second phase of the Forest Management Plan is planned for 1994. The Commission handled 59 Dredge and Fill Applications and 5 complaints in 1993.

Lakes Region General Hospital - Thomas Clairmont, President

The Board of Trustees, management and staff of Lakes Region General Hospital would like to extend appreciation to the residents of Meredith for their support. LRGH is your community hospital and on behalf of the Hospital, we thank you.

Meredith Emergency Management - Steven R. Bennett, Director

1993 saw the final completion of SARA Title III requirements and its approval by the NH Emergency Management Agency. Months of work went into the up-dating of the Meredith Basic Emergency Response Plan. At present, our plan is being reviewed by the staff in Concord before being returned to Meredith for use in the future. The Blizzard of 1993 presented an opportunity to use our Emergency Response Plan and to test our capabilities under emergency conditions and our people in the field did an exceptional job under very trying circumstances. Their professionalism and dedication is what makes Meredith such a fine community.

RSA 466:1 PROCURING LICENSE TAGS: Every owner or keeper of a dog three months old or over shall annually, by April 30, have it registered, numbered, described and licensed for 1 year at the office of the Town Clerk where the dog is kept and shall wear the license on a neck collar.

RABIES have been reported in the State of New Hampshire and it is important that your pet has the shots for protection of the pet and your family.

Meredith Public Health Nursing Association - June A. Plummer, RN, Ex. Dir.

Meredith Public Health is a Medicare, Medicaid, BCBS approved and state licensed agency that provides skilled nursing, physical therapy, speech therapy, home health aid and homemaker service to Meredith and Center Harbor residents. Memorial gifts received in memory of: David G. Ambrose, Charlene D. Bartlett, Hazel E. Bickford, Freeman Brooks, Rev. Clarence Buker, Sr., Wilfred R. Canney, Gary Cogswell, Solomon "Buck" Coleman, Mildred B. Conklin, Doris E. Cotton, Jean C. Daffinee, Clarence Dolloff, Edward Elliott, Evelyn Faye, Martha Fletcher, Helene Gleason, RN, John A. Howard Stevenson, Leona Tucker, Raymond Tucker, Harry A. Wallace, and Albert Webster.

Forest Fire Warden - Roy E. Howe, Sr.

During calendar year 1993, the State of New Hampshire experienced an average number of wildfires. The number of fires in our district were 79, burning 66 acres. The local fire warden is responsible for issuing burning permits for any open burning. These burning permits may also be obtained through the Meredith Municipal Office. Please help us by requesting a permit before starting a fire; be understanding if you are told that it is not a safe day to burn and keep New Hampshire green.

Assessing Department - Timothy Warren, Assessing Coordinator

The Town of Meredith has a total valuation of 631,308,485 for 1993 and shows 5,452 parcels which includes all non-taxable and divided interest parcels. Your tax bill has a new format. This format shows the actual dollars raised for the Town, County, and School separately. When the Town collects the property taxes, the money is transferred to the school and county on a regular schedule. You should contact the Municipal Office to review information on applying for an abatement. There are also exemptions that you may qualify for, such as: Elderly, Blind, Solar, and Veteran. If you have recently transferred your property into the name of a trust and were receiving any exemptions, these exemptions now must be applied for on a yearly basis and those forms are available at the Assessor's Office.

Meredith Public Library - Lydia Torr, Director; Marilyn Rushton, Asst. Dir.

This year's report is dedicated to the memory of Bill Call. Our "Sweet William" passed away on April 15, 1993. He was a faithful, dedicated employee for 18 years. The staff and patrons alike continue to remember and miss him every day of the year.

Inter-Lakes Day Care Center & Nursery School - Constance Pelletier, Exec. Dir.

We wish to thank the Town of Meredith for their continued support of our programs. Year round child care is provided, in an educational setting, for children thirteen months to twelve years. During 1993, the Center served 158 children from 119 families. Our appropriation is used as local support and funding under Title XX through the office of Economic Services of the State of New Hampshire.

Lakes Region Planning Commission - Kim Koulet, Executive Director

The Lakes Region Planning Commission provided a professional staff to the Town of Meredith for a wide variety of services. Areas include land use planning, transportation planning, master planning, environmental planning, capital improvement programming, impact fee studies, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collection and site plan review. The Commission also serves as a collective voice in issues involving the state and federal governments.

Independent Auditor's Opinion On Financial Presentation

To the Members of the Board of Selectmen
Town of Meredith
Meredith, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Meredith as of and for the year ended December 31, 1992, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Meredith as of December 31, 1992, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Meredith. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

“Shall we adopt an exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$50,000.00. To qualify, the person must have been a New Hampshire resident for at least five (5) years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of not more than \$15,000.00 or, if married, a combined income of not more than \$17,000.00; and own net assets not in excess of \$50,000.00, excluding the value of the person’s residence.” (Petitioned by 25 or more legal voters of the Town of Meredith) (Not Recommended by the Board of Selectmen)

ARTICLE 3

“Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: For a person 65 years of age up to 75 years, \$20,000.00; for a person 75 years of age up to 80 years, \$30,000.00; for a person 80 years of age or older, \$40,000.00. To qualify, the person must have been a New Hampshire resident for at least five (5) years; own the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been mar-

ried for at least five (5) years. In addition, the taxpayer must have a net income of not more than \$15,000.00 or, if married, a combined net income of less than \$17,000.00; and own net assets not in excess of \$50,000.00, excluding the value of the person's residence." (Petitioned by 25 or more legal voters of the Town of Meredith) (Not Recommended by the Board of Selectmen)

ARTICLE 4

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with FENCE HEIGHT LIMITATIONS?

PURPOSE OF THE PROPOSED AMENDMENT: To provide greater flexibility in administering the current 5' maximum fence height by allowing fence heights greater than 5' by Special Exception; and to provide the Planning Board with discretionary authority over fence heights associated with commercial and industrial development review.

ARTICLE 5

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with UNLICENSED PARKED OR STORED VEHICLES?

PURPOSE OF THE PROPOSED AMENDMENT: To require current license plates and inspection stickers for parked or stored vehicles which exceed the current allowance of two unlicensed vehicles per lot.

ARTICLE 6

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with SPECIAL EXCEPTION CRITERIA FOR DUPLEX/TWO-FAMILY DWELLINGS?

PURPOSE OF THE PROPOSED AMENDMENT: To establish specific Special Exception criteria for this land use. The criteria would include the relaxation of density requirements in order to allow greater opportunity for this housing alternative. NOTE: Duplex/two-family dwellings are currently allowed by Special Exception in the Forestry/Rural, Meredith Neck and Shoreline Zoning Districts.

ARTICLE 7

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with STANDARDS FOR HOME OCCUPATIONS?

PURPOSE OF THE PROPOSED AMENDMENT: To clarify and establish that: (A) the total number of employees shall not exceed four, including the operator of the home occupation; (B) the operator shall reside at the location of the home occupation; (C) the remaining employees do not have to be related to the operator and do not have to reside at the location of the home occupation; and (D) the use of modern information and communication technologies shall not preclude a home occupation.

ARTICLE 8

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with the **FLOODPLAIN DEVELOPMENT ORDINANCE**?

PURPOSE OF THE PROPOSED AMENDMENT: To define “recreational vehicles” and to establish requirements for “recreational vehicles” located within designated 100-year flood hazard areas in order to ensure continued community participation in the National Flood Insurance Program (NFIP) administered by the Federal Emergency Management Agency (FEMA).

ARTICLE 9

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with **EXISTING DECKS WHICH DO NOT CONFORM TO CURRENT SETBACK REQUIREMENTS**?

PURPOSE OF THIS PROPOSED AMENDMENT: To allow for the removal and replacement of non-conforming decks without having to obtain a zoning variance provided that the deck dimensions are confirmed by the Building Inspector and a Building Permit is issued.

ARTICLE 10

Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Meredith Zoning Ordinance having to do with **PERMITS FOR TEMPORARY USES (I.E., SPECIAL PERMITS)**?

PURPOSE OF THE PROPOSED AMENDMENT: To establish the Board of Selectmen as the appeal authority over Special Permit decisions made by their agent; and to establish the Zoning Board of Adjustment as the appeal authority over Special Permit decisions made by the Board of Selectmen.

DELIBERATIVE SESSION

ARTICLE 11

To see if the Town will vote to (i) raise and appropriate the sum of Two Hundred Twenty-Five Thousand One Hundred Twenty-Four Dollars (\$225,124.00) for the purpose of Sewer Extension Improvements along the remainder of Wagon Wheel Trail, across Pinnacle Park Road adjacent to Map U19, Lot 004, said appropriation to be inclusive of State or Federal grants-in-aid, or contributions from other sources; (ii) to authorize the issuance of serial bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the said appropriation, provided, however, that the total amount of bonds or notes to be issued shall be reduced by the amount of such grants-in-aid, or contributions from other sources; (iii) to authorize the Town Treasurer to make temporary borrowings, in accordance with the provisions of said Chapter, in anticipation of the receipt of the proceeds of said bonds or notes; and (iv) to authorize the Treasurer to determine the method and manner of sale of such bonds, notes and temporary borrowings, as shall be in the best interest of the Town, including the authority to enter into a Tax Regulatory Agreement containing such representations and covenants as are necessary to maintain such notes and temporary borrowings; to authorize the Selectmen and Town Manager to apply for and accept any or all State or Federal grants-in-aid, or other contributions in aid of the project, and to expend the appropriation in accordance herewith. (Proposed revenue would include landowner betterment assessments in the amount of \$180,100.00, State or Federal Grant Programs available amounting to a minimum of 20% or any contribution from other sources and/or any combination of the above.) (Passage requires affirmative vote of two-thirds present and voting.) As requested by the property owners. (Recommended by the Board of Selectmen)

ARTICLE 12

Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 13

Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 14

To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal property. This authorization shall remain indefinitely until rescinded by Town Meeting vote.

ARTICLE 15

Shall the Town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue Tax Anticipation Notes?

ARTICLE 16

To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. This authorization shall remain indefinitely until rescinded by a Town Meeting vote.

ARTICLE 17

To see if the Town will vote to authorize the Selectmen to sell and transfer title to all real estate taken by the Town in default of redemption or from any Tax Lien upon such conditions as they shall see fit, as justice may require and indefinitely until rescinded by Town Meeting vote.

ARTICLE 18

To see what sum the Town will vote to raise and appropriate for the necessary operational expenses of the Town for the ensuing year budget.

ARTICLE 19

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for improvements under the State Aid Reconstruction Program provided that the State of New Hampshire appropriates Forty Thousand Dollars (\$40,000.00). (Recommended by the Board of Selectmen)

ARTICLE 20

To see if the Town will vote to authorize the Board of Selectmen to accept dedicated streets in accordance with RSA 674:35 until rescinded by vote of Town Meeting.

ARTICLE 21

To see if the Town will vote to recommend a day of the week to the Board of Selectmen for the Deliberative Session for the 1995 Town Meeting.

ARTICLE 22

“Should Route 3 be widened by the New Hampshire Department of Transportation to 4 lanes from Parade Road to the intersection at Routes 3/25?” (Petitioned by 25 or more legal voters)

ARTICLE 23

To see if the Town will vote to require the Town of Meredith to go out to bid on any capital improvement project that equals and/or exceeds the sum of (\$5,000.00) Five Thousand Dollars in total? (Petitioned by 25 or more legal voters) (Not Recommended by the Board of Selectmen)
